1 GOLD, 2 SILVER, 1 BRONZE

& 4 Finalists

All of the Killcare Touring Team made it through to the finals, an outstanding achievement to be celebrated.

Gold & Silver for Joel

Joel knocked off ex KROC Jason Chapman to take out 1st place in the men's 35-39 sprint but in true competition spirit Chapo just beat Joel in the men's 35-39 flags.

Silver for the KROCS men's relay team

This Silver was hard earned with two of the four members (the oldest ones) carrying injuries.

Bronze for Colin

Men's 45-49 flags is a hot event and this year was no different.

Thanks

Once again all of the KROCS team members would like to thank their families, John Bourne, Jim Tubby and Killcare SLSC for all their support and encouragement.
