### ***Water Events***

#### Men's

40-44	Swim	3rd	Bryce Cameron
-------	------	-----	---------------

40-44	Tube	4th	Bryce Cameron
-------	------	-----	---------------

### ***2 Silver, 1 Bronze & 8 Finalists***

It was an early start and a big day for all with great results.

Both the Men's & Women's relay teams were in the running for silver but unfortunately they both ended up disqualified due to bouncy baton problems.

Joel & Colin however did bring home Silver for their sprint & flag events and Bryce earned a bronze for his swim.

### ***Thanks***

All of the KROCS team members would like to thank their families for their support and encouragement. They couldn't do it without you ☺

#### *Beach competitors*

The local members would also like to give a big thank you to JB for all the time and effort he has put in to training them this season.

Phillip and Colin have been training in Sydney under the watchful eye of their Dad Jim and would like to take this opportunity to say "thanks".

Joel is so quick he left his trainer 'back there somewhere' and has done a great job on his own.

#### *Water competitor*

Bryce ... does Killy have a trainer for that wet stuff?

### ***Nationals up next***

March 16 & 17 is when it all happens for the Masters this year at National level.

*Go the KROCS!*
