KILLCARE SLSC NIPPERS NEWSLETTER – 17 FEBRUARY, 2010

The Season is fast coming to an end. We held our last Championship Day for the Under 8's to Under 14's last Sunday. This was well attended and I must congratulate not only the Nippers for their enthusiasm and sportsmanship but the Age Manager's for encouraging the Nippers to take part. We really can't run the Nippers without them. Finally, to the water safety for ensuring that each Nipper is safe whilst in the water. The Under 6's and 7's well, they continue to just have fun. Thank you also to the parents that help out each week.
