Killcare SLSC Nippers Newsletter – 15 November, 2009

It has been a terrific start to the new Nipper season. The Nippers seem to be very eager to take part in the activities. Even if it is raining, please come along as the Age Manger's for Under 8's to Under 15's have Surf Education components that need to be covered by the end of December to enable the Nippers to receive their respective awards at the end of the season.

Beach Training for Under 8's – Under 15's

We started beach training this week. If you would like your child/children to come along, training is on Tuesday afternoons from 4.30pm to 5.30pm. It is advised that the Nippers have sunscreen on and bring a bottle of water.

Board Training for Under 9's – Under 15's

Jim Willis, Board Coach, will advise the day of training in the next week.

Carnivals

Our club encourages Nippers to compete in carnivals against the other 14 clubs on the Central Coast. We are however, in need of more parents to become Officials at Carnivals to enable the Nippers from Killcare SLSC to compete. If you are interested, please let me know ASAP. Next carnival is for beach events only at Wamberal on 29 November, 2009 for Under 9's to Open.

Championship Day

We will hold two (2) championship days for the Under 8's to Under 15's this season – 22 November, 2009 and 14 February, 2010. Nippers will be as usual for the Under 6's and 7's on these days.

Email Addresses

If you haven't been receiving emails, please email me on slippa5@bigpond.com with your children's name/s. We send out emails advising you of up coming events and information.

Yvonne Hayter – Junior Activities Co-ordinator
