CLUB**

Killcare Surf Life Saving Club
2019/20 Annual Report

Many thanks to our supporters at Club, Branch and State level.

Vale Wadey, thanks for everything brother.

Killcare Surf Life Saving club acknowledges all Aboriginal people, traditional custodians of the land on which our Club sits and the beach that we enjoy, respect and protect. We pay our respects to the Elders past, present and future, for they hold the memories, the traditions, the culture and hopes of Aboriginal Australia. We must always remember that under the concrete and asphalt Killcare is, was and always will be traditional Aboriginal land.

Cover: Lilly Hofer had an outstanding competitive year, crowned by a late callup to the NSW Representative Team to compete at the Interstate championships where she picked up bronze in flags, silver in sprint and anchored her relay team from second last to gold.

KILLCARE SURF LIFESAVING CLUB
2018/2019 ANNUAL GENERAL MEETING
2 PM - SATURDAY 06 JULY 2019

MINUTES OF MEETING

Attendees:

Peter Bagnall, John Bourne, Sue Fraser, Graham Wadey, Dean Robb, Dennis Howard, Cecilia Burke, Jennifer Webb, Craig Sheppard, Nick Urie

1. Apologies

Tony Newton, Jim Macfadyen, Megan Sheppard, Lisa Mount, Zach Webb, Stephen Hinks, Therese Buckley

2. Business Arising

Peter met with Grant from Spinnakers Restaurant to discuss issues such as:

- Disappointment of their closure over the winter period
- Not diverting restaurant phone calls to their Gosford restaurant
- Shortage of staff & late service of dinner on Presentation Night
- Revenue was down on hall hire

3. Adoption of Minutes of Previous Meeting

- Minutes were adopted, recommended by Craig Sheppard & seconded by John Bourne

4. Presentation & Adoption of the 2018/2019 Annual Reports

- Annual Report was distributed at meeting, recommended by Craig Sheppard & seconded by John Bourne

5. Election of Office Bearers for 2019/2020 Season

- President: PETER BAGNALL.
Nominated by John Bourne & seconded by Craig Sheppard
- Vice President - House & Club: NICK URIE.
Nominated by Peter Bagnall & seconded by Dennis Howard
- Vice President – Social: SUE FRASER.
Nominated by Peter Bagnall & seconded by Craig Sheppard
- Chaplain: STEPHEN HICKS - Craig to ring Stephen to confirm his willingness to take on position

- OH&S: DENNIS HOWARD - Nominated by John Bourne & seconded by Graham Wadey
- Gear Steward: ZACH WEBB - Nominated by Cecilia Burke & seconded by Jenny Webb
- Director of Administration: GARY LOFFBERG - Nominated by Peter Bagnall & seconded by John Bourne
- Director of Finance: THERESE BUCKLEY - Nominated by Peter Bagnall & seconded by John Bourne
- Club Captain: Vacant
- Club Vice Captain: Vacant
- First Aid: Vacant
- Junior Club Captain: Vacant
- Director of Education: Vacant
- Director of Junior Activities: CRAIG SHEPPARD – Nominated by Peter Bagnall & seconded by John Bourne
- Boat & IRB Captain: Vacant
- Board & Ski: Vacant
- Club Coach: JOHN BOURNE – Nominated by Craig Sheppard & seconded by Dennis Howard
- Director of Member Services – DEAN ROBB – Nominated by Peter Bagnall & seconded by Craig Sheppard

6. General Business

- Pete Bagnall suggested that a letter of “Thanks” be written to Lisa Mount & Scott Vernon for their valued contribution to KSLSC
- Pete Bagnall announced that he will have a new job in the near future & will be home every 2nd weekend
- Pete Bagnall gave a big thanks to Nick Urie for his ongoing help to the club
- John Bourne suggested the committee meetings be moved to a Sunday afternoon. All attendees were in favour. Next committee meeting will be at 2:30pm on SUN 28 JULY, 2019
- Pete Bagnall stated his aim for KSLSC was for the club to have representation in all events at the next Branch Carnival

Close of Meeting: 2:40pm

President Craig Sheppard

Season 2019/20 was certainly one for the ages and proved one thing above all else - the strength, resilience and dedication of all our members.

In November when NSW was placed at 'catastrophic' levels in the bushfire emergency, our patrols, emergency callout teams and broader membership stood ready to do whatever was needed from IRB evacuations from some of the more remote beaches within our patch, to turning our clubhouse into a place of shelter and providing the services and infrastructure that such a situation would require. Thankfully the call never came.

After the State Ops Centre issued a SMEAC briefing in February for 5m swells with strong winds all on a king tide, our members and our community heeded the call to stay not just out of the water but off the beach. And our patrol signed on and stood ready to do what they could against the worst Mother Nature had to offer.

Then of course COVID-19 hit. In the weeks leading up to the shutdown, the call was repeatedly put out that if anyone felt at all uncomfortable patrolling with the possibility of a rescue and the consequent close contact that would entail, they could excuse themselves with no judgement and no penalty. None did. And through it all, the collaborative spirit amongst clubs near and far as well as the important work and support our Branch and State offices do shone brightly.

In my first season as President of Killcare SLSC, having such stark examples of who we are as a Club and a broader movement, the importance of what we do and just how incredible the people that make up our membership are, was truly inspiring. I could not be prouder of our members and to be a part of Surf Life Saving.

In between lurching from crisis to crisis though, we had a surf season!

At the beginning of the season our patrolling numbers were a little concerning however that quickly resolved with the training of 19 new Bronzies, a handful of Silvers and a dozen new IRB drivers and crew. Most pleasingly these represented a great diversity of our club and community; some were nipper parents who've watched from the sidelines for a while, some were nippers themselves who have come through the ranks and some were completely new to SLS and simply wanted to get involved.

Getting those people qualified of course requires resources and great thanks is owed to longstanding trainer Pete Bagnall and our new trainers Sam Wassel, Steve McCoombe and Don Macdonald who, despite travelling the state during the week leading the NPWS response to the bushfires, turned up every Sunday to work with his bronze group. Thanks also must go to our neighbouring clubs who assisted with the assessments, an asset we're yet to build up.

Our 148 nippers all had a ball whilst accidentally learning how to keep themselves and their mates safe along the way. This included the 13 Resinc Solar Rookies who ended their nipper journey by gaining their SRC to become qualified lifesavers. We hope to see each and every one under the tent this coming season.

We're lucky to have one of Australia's legendary beach sports coaches, a man with multiple World Championships to his name and still the only regional coach inducted into the SLSA Hall of Fame, John Bourne. Under his tutelage we had a terrific season of competition, particularly with our junior competitors. Amongst the 70 medals won at Newcastle Permanent Branch comps by a core competition group of about a dozen kids, our U12 male and female runners especially swept all before them and the boys culminated with 5 silver medals between them at the State Championships. Luke Hayter, Tash Marteene (Open), Lilly Hofer (U14) and newcomer CC Bradley (U12) gave us a club record with four representatives in the Branch team at the Interbranch Championships. A season highlight was Lilly Hofer's late callup to the NSW team to compete at the Interstate Champs. Lilly came home with a Bronze in the flags, Silver in the sprint and anchored her relay team from second last place to Gold, all against the best in the country.

Of course, the club isn't just an emergency service with a sports problem. Our Community Connect program continues with yoga, Zumba, creative writing classes and more. We received a grant for an

outdoor cinema setup from Central Coast Council at the start of the season and were able to hold 4 movie nights on the beach over the Summer to great acclaim. Sunday Sips continues to go from strength to strength as a regular community gathering.

Before any of us could imagine what the Summer had in store for us, we teamed up with two local organisations, the Wagstaffe to Killcare Community Association and Killy Cares, along with our kindred service, the Killcare/Wagstaffe Rural Fire Brigade to begin work on a Community Resilience Plan. Whilst still in the very early stages, having key pillars of our area, the two emergency services and two neighbourhood and pastoral care organisations, working together and communicating a consistent message through the community on emergency preparedness and response paid immediate dividends throughout the bushfire emergency. When the pandemic erupted the focus switched from emergency response to care response and we were able to offer assistance to the support organisations. This cooperation and formal planning will continue to grow and strengthen our community.

Our committee and board continue to work tirelessly behind the scenes to keep things moving, all with the stated aim of leaving Killcare SLSC better than we found it. I am extremely lucky to have such a great team and while I'm reluctant to single anyone out, two things were apparent this season; firstly, a couple of seasons ago we took the bold (for a small club) decision to put on a paid administrator 3 days a week. Heather Pate has proven herself worth her weight in gold not just in taking some of the burden off the volunteers, but also in her ability to seek and win grants for things we take for granted and things we only imagined. Secondly, when the pandemic hit the financial stewardship of our Director of Finance Therese Buckley came to the fore. Almost overnight not only did almost all sources of income cease, we also found ourselves morally and legally obligated to offer relief to our tenants and other expenses leading to a negative cashflow. Thanks to her guidance over the last few years and her incredible work when everything went south, we found ourselves on a stable and strong footing. What could have been an existential threat is, thanks largely to Therese, a storm we're well placed to weather.

We are of course very grateful to our sponsors and supporters. The three tiers of government in Central Coast Council under Councillor Lisa Matthews, the NSW Government represented by Adam Crouch MP and the Federal Government represented by Lucy Wicks MP continue to support us in ways large and small. Our major sponsors Belle Property and Fortunity Chartered Accountants and Financial Planners as well as other supporters United Petroleum Empire Bay, Endeavour Marine, Girri Girra Aboriginal Experiences, Hoselink, Newton's Law and the Killcare Beach Kiosk are all an invaluable support.

There are any number of metrics and K.P.I.'s that determine our effectiveness through the season. One of the headline figures is the number of rescues, which this season stood at only 7. A major focus of our Patrol Captains is on preventatives; intervention in potentially dangerous situations that stop beachgoers behaviour getting to the point of rescue, and that low number is one to be proud of. One to be equally proud of is the more than 4,100 documented and countless undocumented volunteer hours our members committed during the season.

There is of course only one metric that really matters and it is one that was once again achieved; that everyone who comes to our beach goes home again. Some go home a little worse for wear, an unfortunate few go home via hospital, but again in 2019/20, they all went home. And when it's all said and done, that's our mission accomplished.

See you - from a safe distance - on the beach in September.

Craig Sheppard

Director of Administration
Garry Lofberg

The last 12 months has been a year of unparalleled challenges for our community and for the Club in particular. This year last year, we could not have forecast the issues we would have confronted however I am proud of the way in which our Club has dealt with these challenges.

During the catastrophic fires of late 2019, we were on standby as an emergency response centre should it have been necessary and then as the COVID crisis evolved, we have adopted a careful and controlled response to the issues that have arisen. Our members are our prime concern and we have been proactive in ensuring that we adopted a responsible and careful approach.

During these times, I would like to acknowledge the tremendous workload taken on by Craig Shepard (our new President), Therese Buckley and Heather Pate. The efforts they have put in to ensure that we have remained compliant and safe during these times has been incredible.

It's difficult to remember back to the pre-COVID times however the season was successful. Our beach safety was excellent and whilst we did have several issues to deal with, our members handled this very professionally and with the utmost care of our beach goers.

Off the beach we also had a very successful season socially with a full range of functions being very well supported.

When you review our Financial records for the season, you may note the considerable improvement in grants obtained from several sources. This is thanks to the wonderful efforts of Heather Pate. A big thank you, Heather, as I certainly could not have fulfilled my role had you not been available. I would also like to acknowledge the contributions of Pete Bagnall, who had to step down from the President's role due to work commitments. Pete continued his support as often as his job allowed and this was really appreciated.

It goes without saying that your Committee is dedicated to the success and future of the Club. Most are active on the Beach and then also volunteer their remaining spare time to keep the Club running safely, efficiently and with sufficient financial control to ensure the future viability of the Club.

Finally, I would like to thank all our members for again putting in the many hours on the beach that you continue to volunteer so that our community is a better place. Thank you all for this dedication and I look forward to seeing you on the Beach again next season.

Garry Lofberg

Director of Finance
Therese Buckley

The 2019 / 2020 Season has been extremely busy in the overall running of the club.

This year the operating result for ordinary activities for the Club amounted to a surplus of \$67,021.

Our events calendar increased with some great club social events which included the Trivia Night, Legends Lunch and many a great night on the balcony for Sunday Sips. All were well supported, and this was reflected in our income. The Auditorium bookings increased with both non-members and members using the hall for some great celebrations.

Once again, the Committee was highly successful in obtaining grants for the development and improvement of all aspects of the club. With the help of our Administration Officer, Heather Pate, the club was able to access the following grants:

- FACS & Central Coast Council Killcare Surf Connect – including WiFi & Technology Upgrade \$26,000
- Community Support Grant - \$4380
- BSEF SLS Australia - \$5000
- SLS NSW Compliance Grant - \$5545.45
- Office of Sports - \$1144 Wall Mounted AED
- Central Coast Council Cinema Grant - \$7919
- Department of Justice - \$8937.50
- SLS Australia Cleaner Outboard Engine Grant - \$1000

With the outbreak of the COVID 19 pandemic the Committee, has taken appropriate steps to make sure we will weather this storm. We have been able to gain financial support from all levels of government and all levels of Surf Life Saving.

We have worked with suppliers, sponsors and club users to offer our support, including rent assistant, refunds and/or postponement of bookings.

Once again, I have had the great pleasure to work beside a fantastic group of people who are extremely passionate about what they do.

I would also like to say a special thank you to Heather Pate, who does a fantastic job in her role as Administration Officer. She goes above and beyond for our club.

And thank you to the members of the club for your support in the work we do.

Therese Buckley

Director of Lifesaving
Garry Lofberg

This season has been one of the most difficult seasons I can remember. It started with many weather disruptions and ended with COVID. Our flags came down for the season much earlier than planned because of the restrictions placed upon us.

Even so, our Patrol teams did a great job of keeping our beach safe again. To all of our captains, and to each one of our members, thank you for your efforts. I would also like to make a special mention of our new Bronzies who joined us this season. Each of you did amazingly well in your first season – thank you. Because we are such a small club, we are looking at ways of reducing the amount of time we need to spend on the beach. The new Committee will focus on this for the coming season.

To all on our Committee, thank you so much for all of the “off the beach” work you have done – it makes our job just that little bit easier.

Finally, and on an incredibly sad note, it would be remiss of me not to reflect upon the passing of Graham Wadey. We all have been used to seeing Wadey behind the bar for sips, helping with fundraising events and patrolling with his colleagues on the beach. He was an amazing man with a heart of gold and all of us will miss him deeply. Vale Wadey.

Garry Lofberg

Director of Surf Sports John Bourne

The Season 2019/2020 was a funny season for Killcare we started very slowly, especially with the loss of some older dedicated patrol captains calling it a day, which made it very difficult to raise our 9 patrols . Without 9 patrols it would mean all day patrols throughout the season, which makes it very difficult especially for competitors.

Also we had the Corona Virus pandemic that shortened the season by approx.. 6 weeks eliminating the Branch and Australian Titles altogether, State Titles were held on a restricted format.

Many of the major N.S.W. carnivals were suspended and finally totally cancelled so there was not competition available throughout the season.

Also we had many of our best competitors leaving the club or taking a season off during the competitive period.

Among those Luke, Mitch, & Ma[Hayter, also Ross Keena, Rafael Lagos & Katie Shoesmith all medallist last season.

The State Interbranch Championship's this year were held at Bulli Beach in the Illawarra branch, Killcare Club this year were fortunate to have 4 Representative's included in the Central Coast Team, this is a record for our club previous best was 3.

Representing Central coast was Luke Hayter, Lilli Hofer, Cecily Bradley and Natasha Marteene who was named Captain of the woman's Team.

Our competitors as expected competed exceptionally well and the team finished 4th. from 9 branches. From this carnival was of course the selection of Lilly Hofer in the State Team to compete at the Aust. Interstate championships on the Gold Coast, which N.S.W won defeating arch rivals Queensland. Lilli exceeded all expectations with a wonderful effort.

A little bit of trivia, Lilly Hofer was Killcare's 6th competitor to make the N.S.W. State team over the many years of competition.

The Nippers again improved with our best ever result at State, with only 12 competitors it was sure a good season for the Nipper.

Looking forward to next season to continue the re building of competition both on the beach and at Carnivals.

John Bourne

Membership of the club turned a corner this year and the decline of recent has been halted. We had a great induction of new bronze members and the social and nippers memberships are holding up. There is a tremendous feeling about the club and the engagement from members is really good.

This year we conducted a members survey to ask how we are tracking. Overall the feedback was positive and very encouraging. The consistent messages of improvement are around access to club assets (those with keys have access, those without don't). Gym is a hot topic and we will modify rules in coming year.

Participation by members in beach activities is good and we believe will grow with support. Off the beach SIPS is very strong and we will miss Wadey (Club legend, RIP) tremendously here – he drove this and was the champion. Cinema on the beach had a great first year and looks like anchoring some fun for many age groups.

Covid 19 looks like having a dramatic impact on the season starting in October and we will be reacting to this disease in the foreseeable future. Nippers has real threats short term and we just don't know how we will be able to run at this stage. However, we will overcome this.

Above all we are in good shape and will meet the future with a strong team and have fun keeping our beach safe.

Dean Robb

Director of Member Services
Dean Robb

Vice President - Social Sue Fraser

During the 2019/2020 the Committee was committed to increase the opportunities for social interactions within the Killcare Surf Club for all members and our wonderful Killcare and surrounding communities. I enjoyed the opportunity to visit each of the patrols personally to get ideas and suggestions for future social gatherings. Some of these suggestions were:

- Club Championships events
- Beach games for team & confidence building eg: Bocce, dig the biggest hole, best sand castle, beach soccer, volley ball, cricket
- Carnival Day – patrols versus patrols eg: team relay, tug of war, horse pillow fights, then an & all in bbq at the end of the day
- Educational days – Identifying Rips etc, bring a friend
- Hypnotist
- Muck up day, role reversals
- End of season Discos/events for younger members
- Social gatherings to include good food & music
- Special Sips days
- Family movie nights
- Halloween Party
- Pre-season event “Getting to know other patrol members” – games night Trivia night
- Add meaning to special events eg: Fundraiser for Drought/bushfire relief

Over the course of the season one of the great success events was our Sunday Sips. Of special note was our two Sips events with live music from one of our young patrolling members and his friend. It was observed that the number of club members had dropped quite considerably at Sips since Pachamama began serving food. Although the numbers of non-members had increased considerably. In November we held the inaugural Legend’s Lunch. The rollup included life members, John Bourne, Jim Macfadyen, Cliff Dean and Lex Cameron along with Anne Wheelahan, wife of Life Member and former Club President Paul Weelahan. All guests enjoyed a fantastic lunch whilst many memories and stories were shared with each wave getting larger as the afternoon rolled on.

We can't forget the hugely successful Trivia night held in July. This was a great night out with over 120 guests and proved a very profitable fundraiser for the club.

Due to the Pandemic, all social activities have been suspended indefinitely, this unfortunately included the Comedy Hypnotist night which had been booked & set down for the Easter weekend.

Other work in progress whilst Social Calendar is temporarily suspended.

Cleaning out storage areas - Whilst the Social Calendar is suspended, I have taken the opportunity to do, a very much needed clean-out & re-organisation of storage areas in the club. This has included: the storage area at the end of the auditorium, the cupboards & drawers in the Committee Room, Patrol clothing room & lockers.

All of the historical photos, newspaper clippings & memorabilia have now been displayed in presentation folders & are located in the Committee Room.

In progress – Currently in progress is the sorting, cleaning & repairing of all club trophies & medals which will be housed in a new & larger cabinet to be installed in the Club’s entry foyer. Some of the memorabilia will also be framed & installed in the club together with updating the Life Member’s photos & board.

Another aspect of the role that I have embraced is the opportunity to display our great club to potential guests who hire our club for their event. This past year the club has been the venue for many weddings, parties, life celebrations and even a cooking class or two.

Financial Report

For the Year Ended 30 April 2020

Executive Committee Report

Your executive committee members submit the financial report of the association for the financial year ended 30 April 2020.

Executive Committee Members

The names of executive committee members as at the date of this report are:

Craig Sheppard	President & Director of Junior Activities
Nic Uriel	Vice President (House)
Therese Buckley	Director of Finance
Gary Lofberg	Director of Administration & Director of Life Saving
Dean Robb	Director of Members Services
John Bourne	Director of Surf Sport

Principal Activities

The principal activities of the association during the financial year were the operation of a surf life saving club, by providing a safe beach and aquatic environment for the local community, and facilitating Surf Life Saving Courses run by Surf Life Saving Central Coast Inc.

Significant Changes

No significant change in the nature of these activities occurred during the financial year.

Operating Result

The surplus from ordinary activities of the Association for the financial year amounted to \$67,021 (2019 deficit (\$37,169)).

Signed in accordance with a resolution of the Executive Members.

Therese Buckley

Dated: 3 August 2020

We hereby declare that to the best of our knowledge and belief during the year ended 30 April, 2020, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

Notes To The Financial Statements
For The Financial Year Ended 30 April 2020

1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2009*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations. The committee has determined that the association is not a reporting entity.

Killcare Surf Life Saving Club Incorporated is an association registered under the *Associations Incorporations Act 2009* and domiciled in New South Wales.

The financial report is prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

These are special purpose financial statements that have been prepared for the purpose of complying with the *Australian Charities and Not-for-profits Commissions Act 2012* and associated regulations. The Board have determined that the accounting policies adopted are appropriate to meet the needs of the members of the Killcare Surf Life Saving Club Limited.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the AASB and the disclosure requirements of AASB 101 'Presentation of Financial Statements'; AASB 107 'Statement of Cash Flows'; AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors'; AASB 1048 'Interpretations of Standards' as appropriate for not-for-profit oriented entities.

Accounting Policies

Revenue

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured.

Sale of goods

Sale of goods revenue is recognised at the point of sale, which is when the customer takes receipt of the goods, the risks and rewards are transferred to the customer and there is a valid sales contract. Amounts disclosed as revenue are net of sales returns and discounts.

Functions and Events

Revenue from functions and events are recognised once the event is held in the Club facilities and has meet its obligations to provide a venue for the expressed purpose agreed with the parties. The accounting treatment of deferring functions and events revenue is an approach adopted for 30 April 2020 due to the impact of the health emergency on events booked by the Club.

Membership fees

Revenue from membership fees is recognised at time of receipt.

Grants and donations

Grant & donation income is recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the balance sheet.

Interest

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

Notes To The Financial Statements
For The Financial Year Ended 30 April 2020

1. Summary of Significant Accounting Policies Continued...

Inventories

Inventories are measured at the lower of cost and net realisable value.

Buildings

Buildings are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event that the carrying amount of buildings is greater than its estimated recoverable amount the decrease in value is shown in the profit and loss statement as a revaluation decrease.

Plant and Equipment / Surf Patrol Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount and impairment losses are recognised in the profit or loss as revaluation decreases if the impairment losses relate to the revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised lease assets is depreciated on a straight line or diminishing-value basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Plant and Equipment	5 - 25%
Surf Patrol & Sports Equipment	10 - 20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These gains or losses are recognised in profit or loss in the period which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

Killcare Surf Life Saving Club Incorporated
ABN 56 499 340 296

Notes To The Financial Statements
For The Financial Year Ended 30 April 2020

1. Summary of Significant Accounting Policies Continued...

Goods and Services Tax

Revenues, expenses and assets recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included in other receivables or payables in the statement of financial position.

Income Tax

As the company is a charitable institution in the terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Critical Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

Notes To The Financial Statements
For The Financial Year Ended 30 April 2020

12. Contingent Liabilities and Contingent Assets

The recent announcements by the World Health Organisation in regards to the global pandemic outbreak of COVID-19 and the response of the Australian and State Governments may materially affect the operations of the Company in the future financial periods. At the time of this report, the expected economic impact cannot be reliably measured.

Other than the matter disclosed above the Committee members are not aware of any significant contingent liabilities or contingent assets affecting the entity at reporting date.

13. Events after the Reporting Period

The Committee are not aware of any significant events since the end of the reporting period.

14. Disclosures under the NSW Charitable Fundraising Act 1991

Fundraising appeals conducted by the Club during the year led to a number of donations. Comparisons of certain monetary figures and percentages in accordance with the requirements of the *NSW Charitable Fundraising Act 1991* are set out below.

	2020 \$	2019 \$
Aggregate gross income from bequests*	-	-
Aggregate gross income from fundraising	12,824	6,078
Aggregate gross income from donations	5,901	6,791
Less total direct cost of fundraising	(3,201)	(725)
	15,524	12,144

* Bequests are excluded from the *Charitable Fundraising Act 1991*

Statement by Executive Members

In the opinion of the Executive Committee:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporations Act 2009 (NSW)*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in note 1 to the financial statements;
- (iii) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 April, 2020 and of its performance for the financial year ended on that date;
- (iv) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (v) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vi) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Therese Buckley

Dated: 3 August 2020

**Independent Audit Report To The Members
Of Killcare Surf Life Saving Club Incorporated**

Report on the Financial Report

Opinion

We have audited the accompanying financial report of Killcare Surf Life Saving Club Incorporated (the Club), which comprises the statement of financial position as at 30 April 2020, statement of profit or loss & other comprehensive income, statement of changes in members' funds and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the committee members' declaration.

In our opinion, the financial report Killcare Surf Life Saving Club Incorporated is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Club's financial position as at 30 April 2020 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- (c) the *Charitable Fundraising Act 1991*, including
 - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
 - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
 - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
 - (ii) Killcare Surf Life Saving Club Incorporated is solvent, as it is able to pay its debts as and when they fall due.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the auditor independence requirements and ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

The financial report of Killcare Surf Life Saving Club Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Club's annual report for the year ended 30 April 2020, but does not include the financial report or our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

**Independent Audit Report To The Members
Of Killcare Surf Life Saving Club Incorporated**

Other Information (continued)

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

Committee Members' Responsibility for the Financial Report

The Committee Members of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Club's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the Club's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions or conditions may cause the entity to cease to continue as a going concern.

**Independent Audit Report To The Members
Of Killcare Surf Life Saving Club Incorporated**

Auditor's Responsibility for the Audit of the Financial Report (continued)

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.
